

- NOTES:**
- All dimensions are in millimeters unless otherwise indicated.
  - CONCRETE**
    - Plain concrete grade 10 for 50mm thk. blinding layer.
    - Reinforced concrete grade 30 for all reinforcement concrete.
  - COVER TO REINFORCEMENT.**  
40mm base slab and 25mm for all other reinforcement.
  - FORMWORK**  
Rough faced formwork for surfaces in contact with earth fair faced formwork for all other surfaces.
  - BAKAU PILES**  
75mm till 100mm average diameter x 3000mm long bakau piles to be driven at 500mm centres bothways under the entire structure or as directed.
  - PAINING.**  
As specified for all exposed concrete surfaces.
